## **DETAILED ACTION**

### ***Continued Examination Under 37 CFR 1.114***

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on January 23, 2009 has been entered.

### **EXAMINER'S AMENDMENT**

2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

Claims 35 to 48, drawn to the non-elected invention without traverse in the reply filed on May 7, 2008, have been cancelled.

### ***Allowable Subject Matter***

3. Claims 25 to 34 are allowed.
4. The following is an examiner's statement of reasons for allowance: A hot rolled steel plate having a defined composition and a microstructure comprising substantially of three-phases which are ferrite, bainite and island martensite, such that an area fraction of the island martensite is about 3 to about 20%, and complex carbide is

Art Unit: 1793

precipitated in the ferrite, as recited by claims 25 to 34, is not taught or fairly suggested by the art of record.

5. The applied reference, US Patent 5,755,895 to Tamehiro, does not teach or suggest a hot rolled steel plate having complex carbide precipitated in the ferrite phase; and such property would not be expected since process of making is different for the reasons stated in Applicant's arguments and drawing filed January 23, 2009.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Deborah Yee whose telephone number is 571-272-1253. The examiner can normally be reached on monday-friday 6:00 am-2:30 pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Roy King can be reached on 571-272-1244. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
